# • GREETINGS FROM BOSTON, MA

Hey Beer Club Family,

Welcome to the beautiful Greater Boston Area of Massachusetts known as Beantown! It's where you can walk the same streets as Revolutionary War heroes on the Freedom Trail, explore world-class museums like the Museum of Fine Arts, and catch a game at the iconic Fenway Park.

Beyond the historic landmarks, you'll find vibrant neighborhoods with great food, quirky shops, a thriving arts scene, and nearby hiking spots in the harbor offering beautiful escapes from the city. And let's not forget the food—whether you're craving fresh seafood, authentic Italian in the North End, or something trendy from local food trucks.

While Massachusetts may be famous for its lobster, tea, and rich history, its thriving beer scene offers plenty of excitement too. From cutting-edge microbreweries to industry giants, there's a lot to explore. Welcome as we dive into some must-visit Massachusetts breweries.
